Items marked with a * are required uniform items. Those with a blue tick are uniform options for boys. Where 2 prices are given, these are for children's and adult sizes (adult size shoes are from a size 6 upwards unless stated otherwise).

Please note, we are aware that some supermarkets now offer children's dance shoes in their clothing section. While we understand the convenience of this, these shoes, from our experience, tend to have a poor fit, are not leather and are can be more expensive than the shoes purchased via us.

The dance shoes and leotards that we sell are standard issue and adhere to our exam boards regulations so we do ask that parents avoid purchasing shoes or other dancewear from supermarkets, retailers or websites.

If you are planning to order branded products, please note that we place orders for printed and embroidered goods on a periodic basis to meet minimum order requirements. If we do not have your size/order in stock, branded goods can take several weeks to be delivered.
